

How to integrate international students from conflict zones

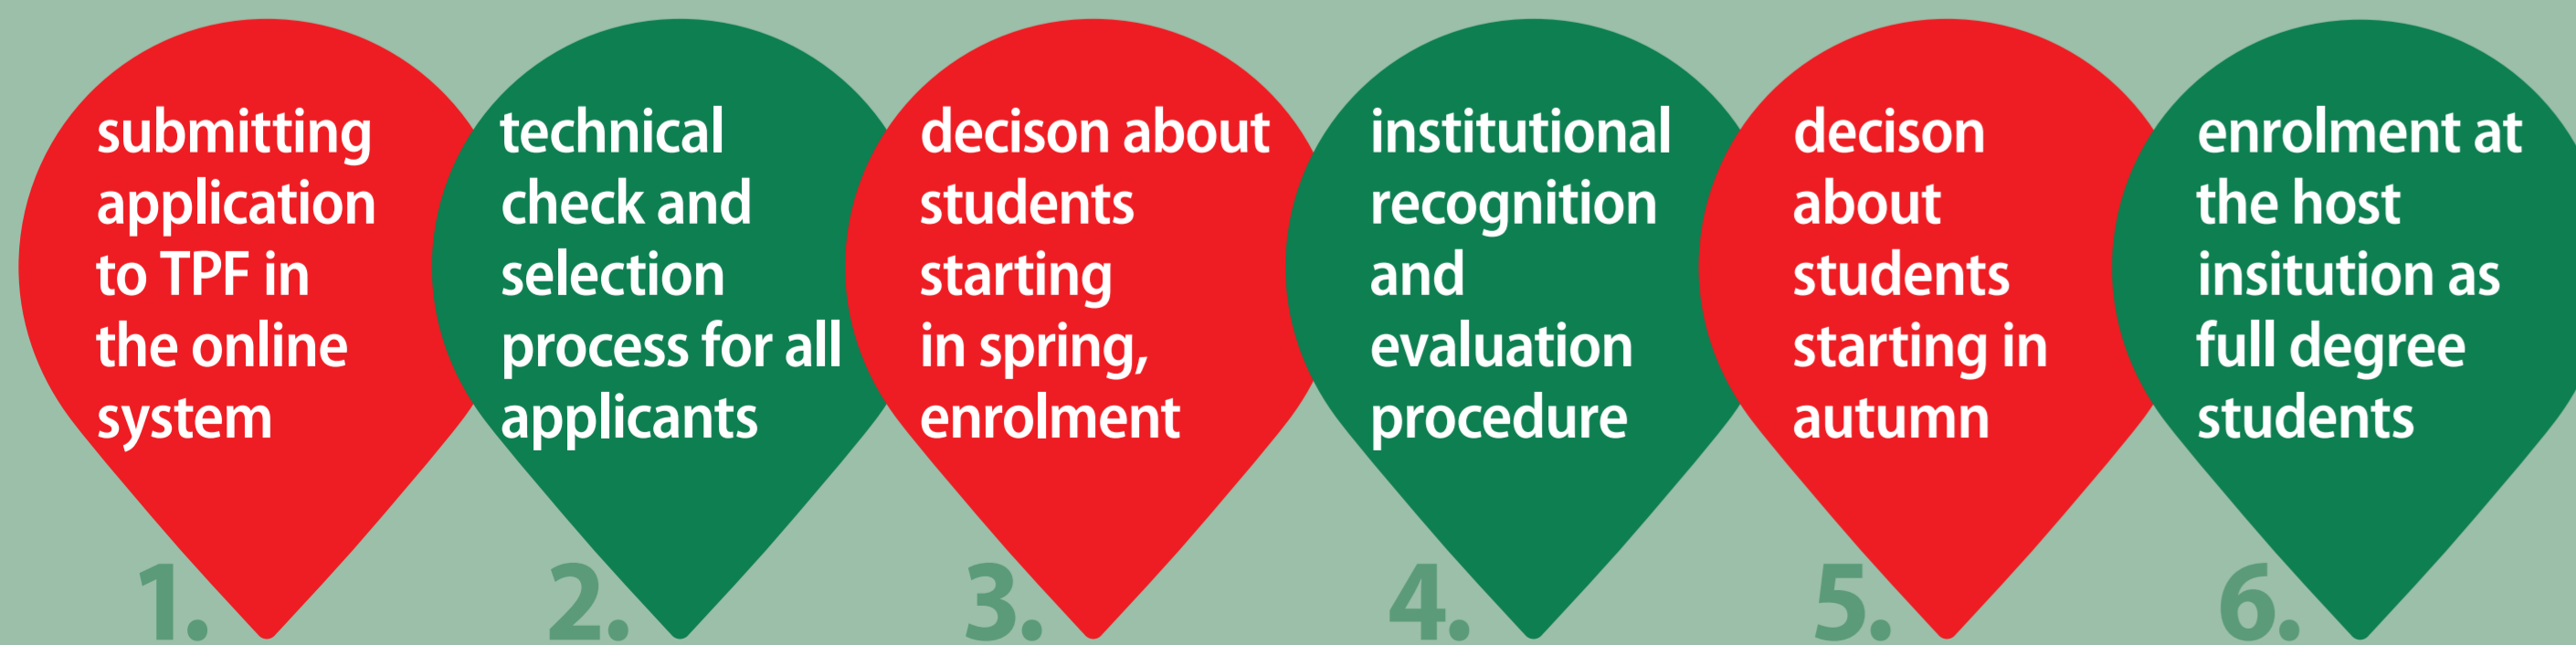

STUDENTS AT RISK

Subprogramme of the Stipendium Hungaricum (SH) Scholarship Programme, supervised by

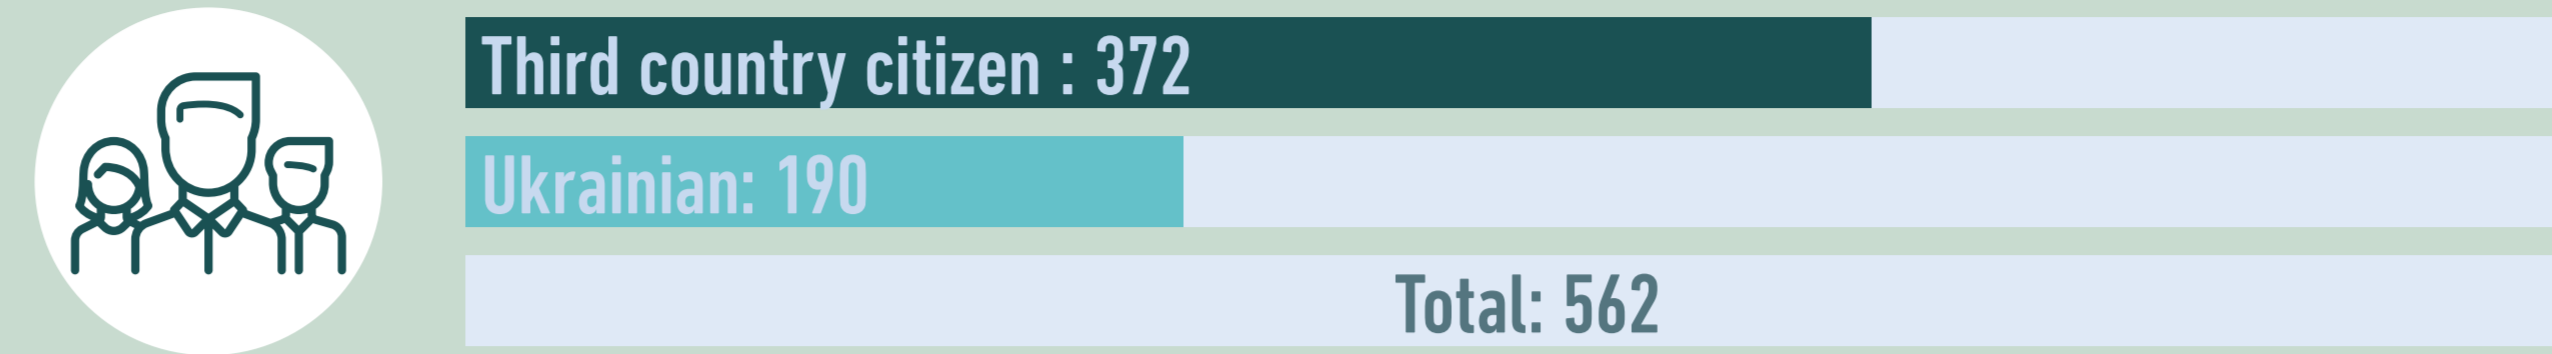

Its goal is to provide assistance to Ukrainian students and doctoral candidates. The subprogramme provides scholarships for studies in Hungarian higher education institutions. The first of the three application rounds were open not only to Ukrainian citizens but for students who are studying in Ukraine and citizens of any of the countries involved in the Stipendium Hungaricum Scholarship Programme.

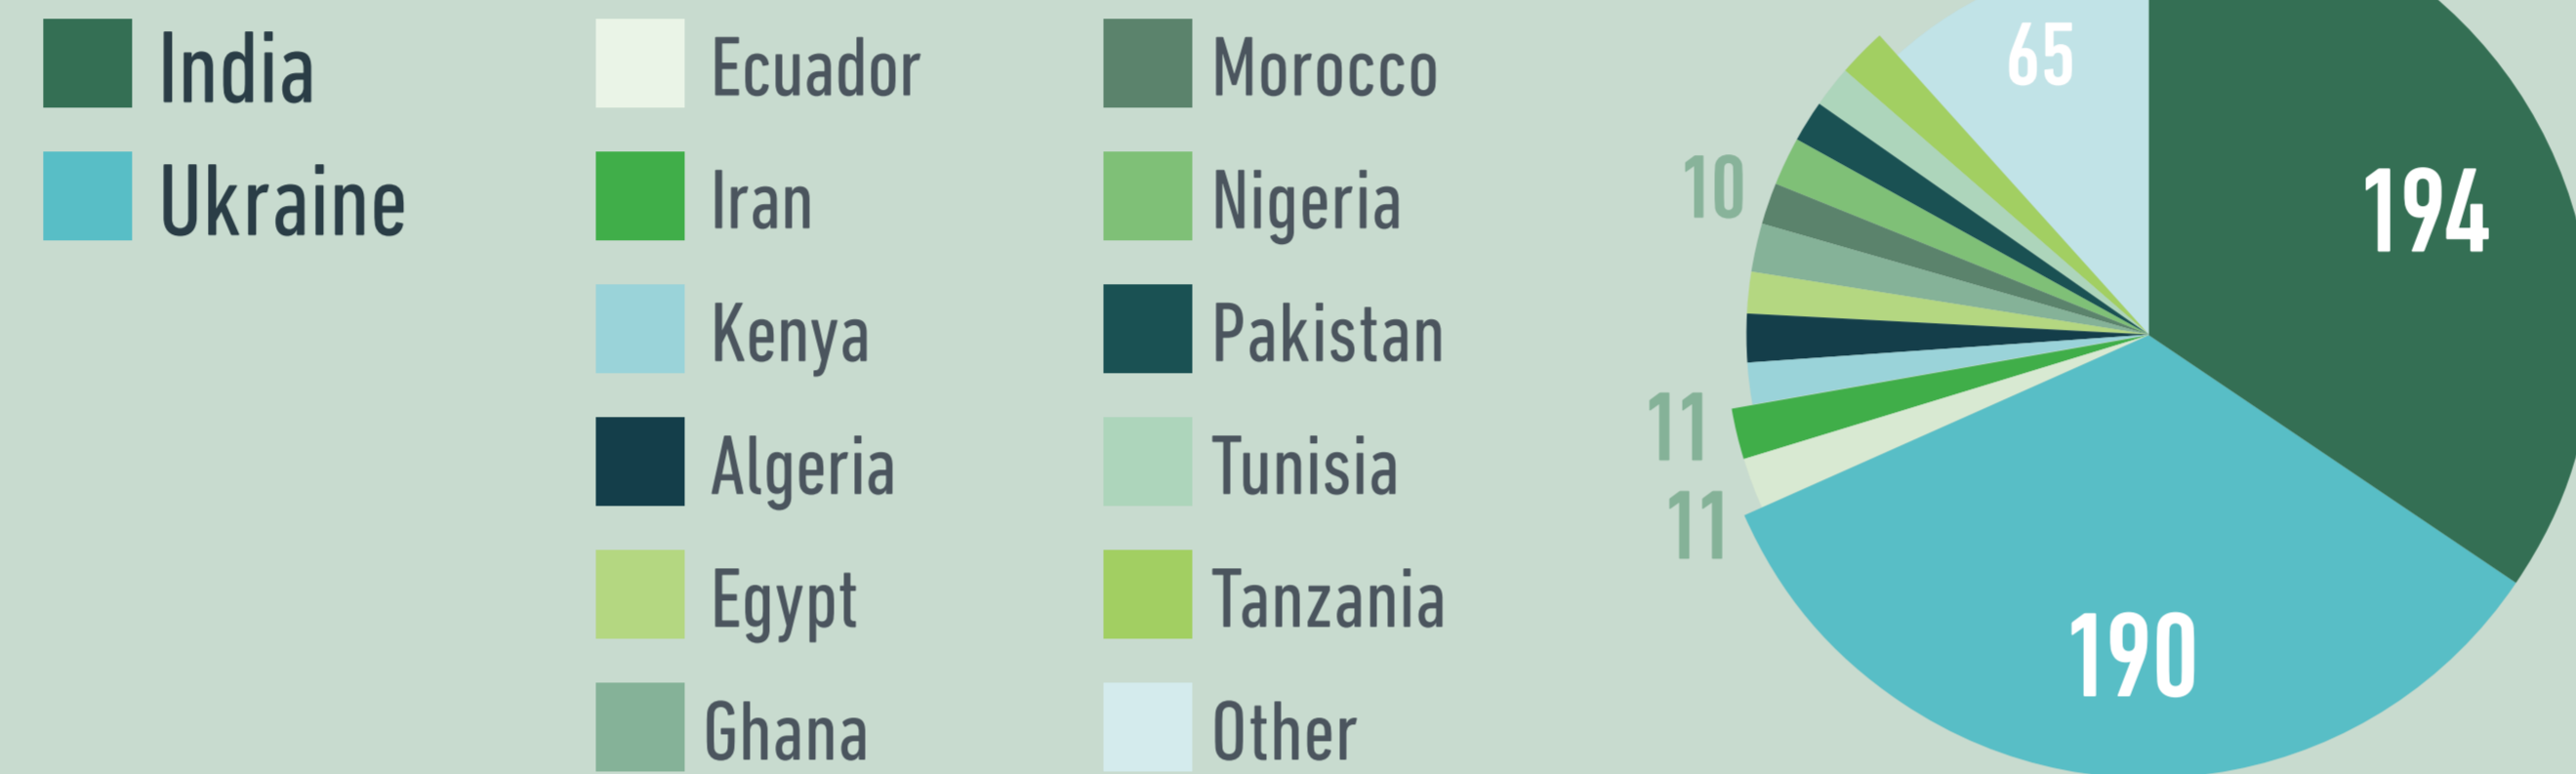

FLOW CHART OF APPLICATION PROCESS

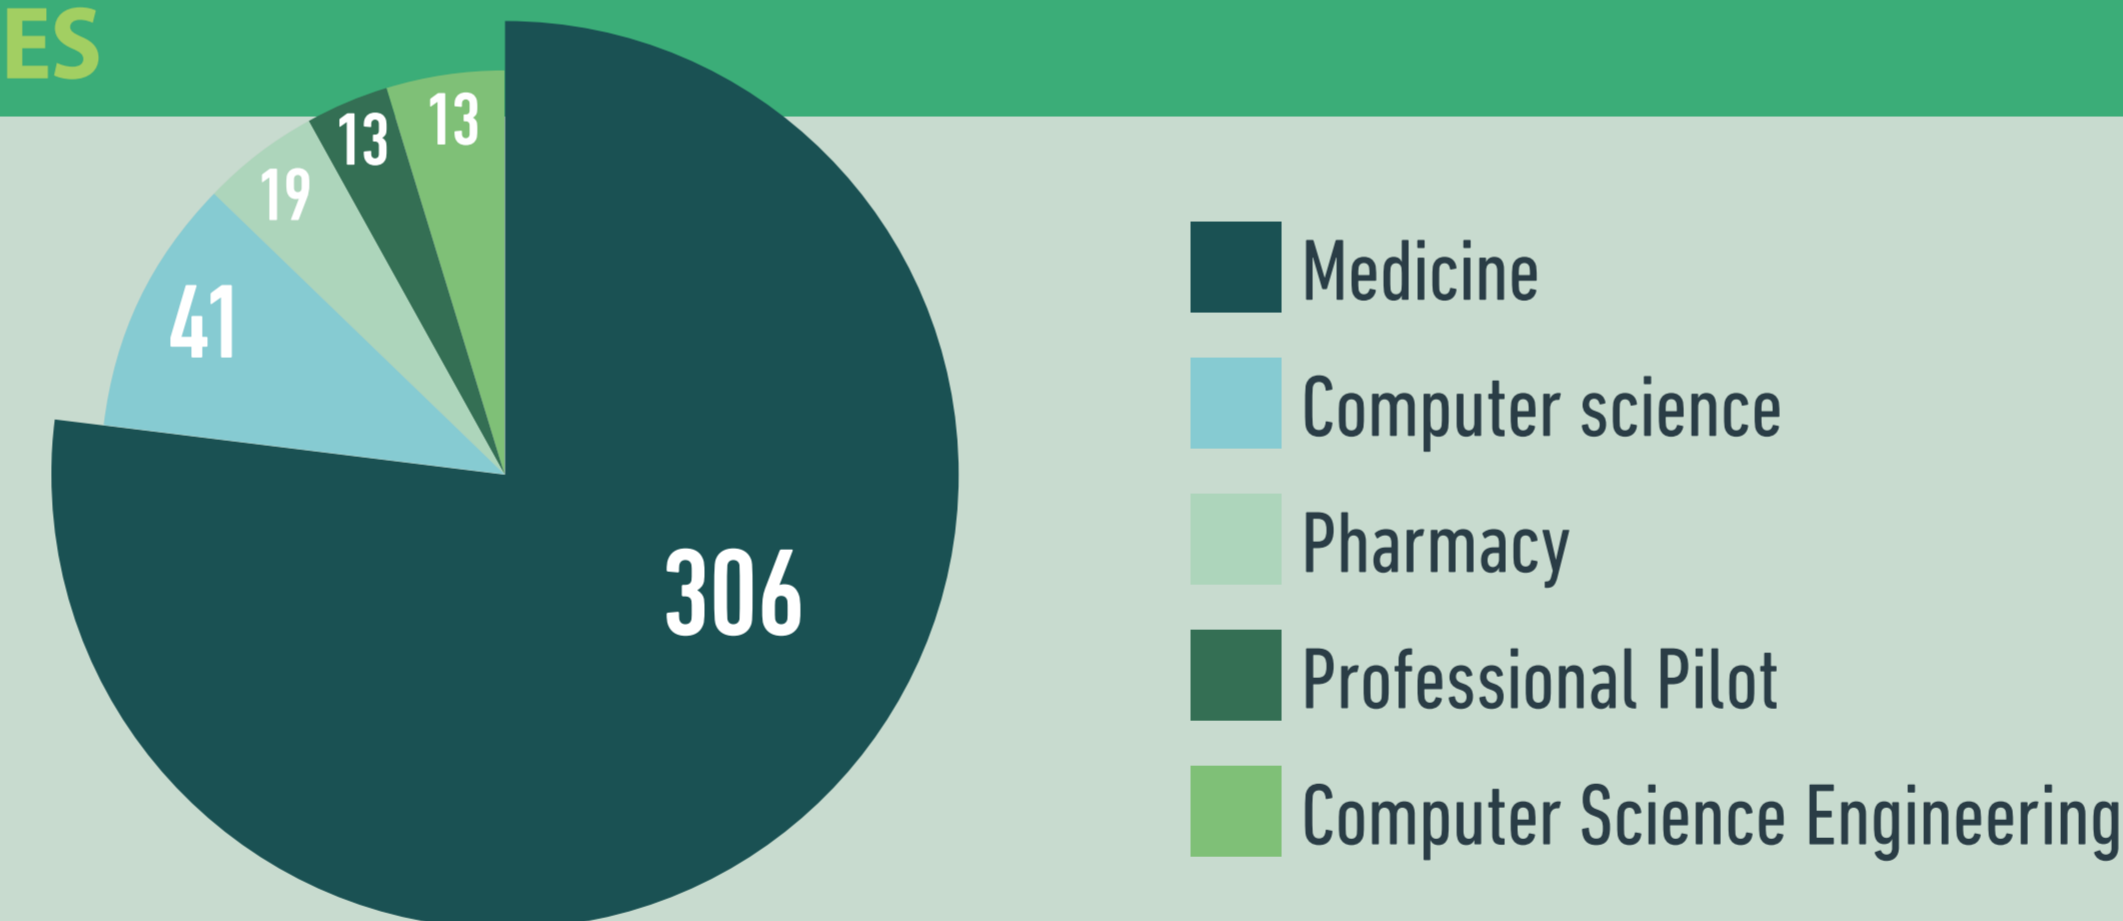

NUMBER OF SCHOLARSHIP HOLDERS ACCORDING TO THEIR CITIZENSHIP 2021/2022 SPRING SEMESTER – 2022/2023 SPRING SEMESTER

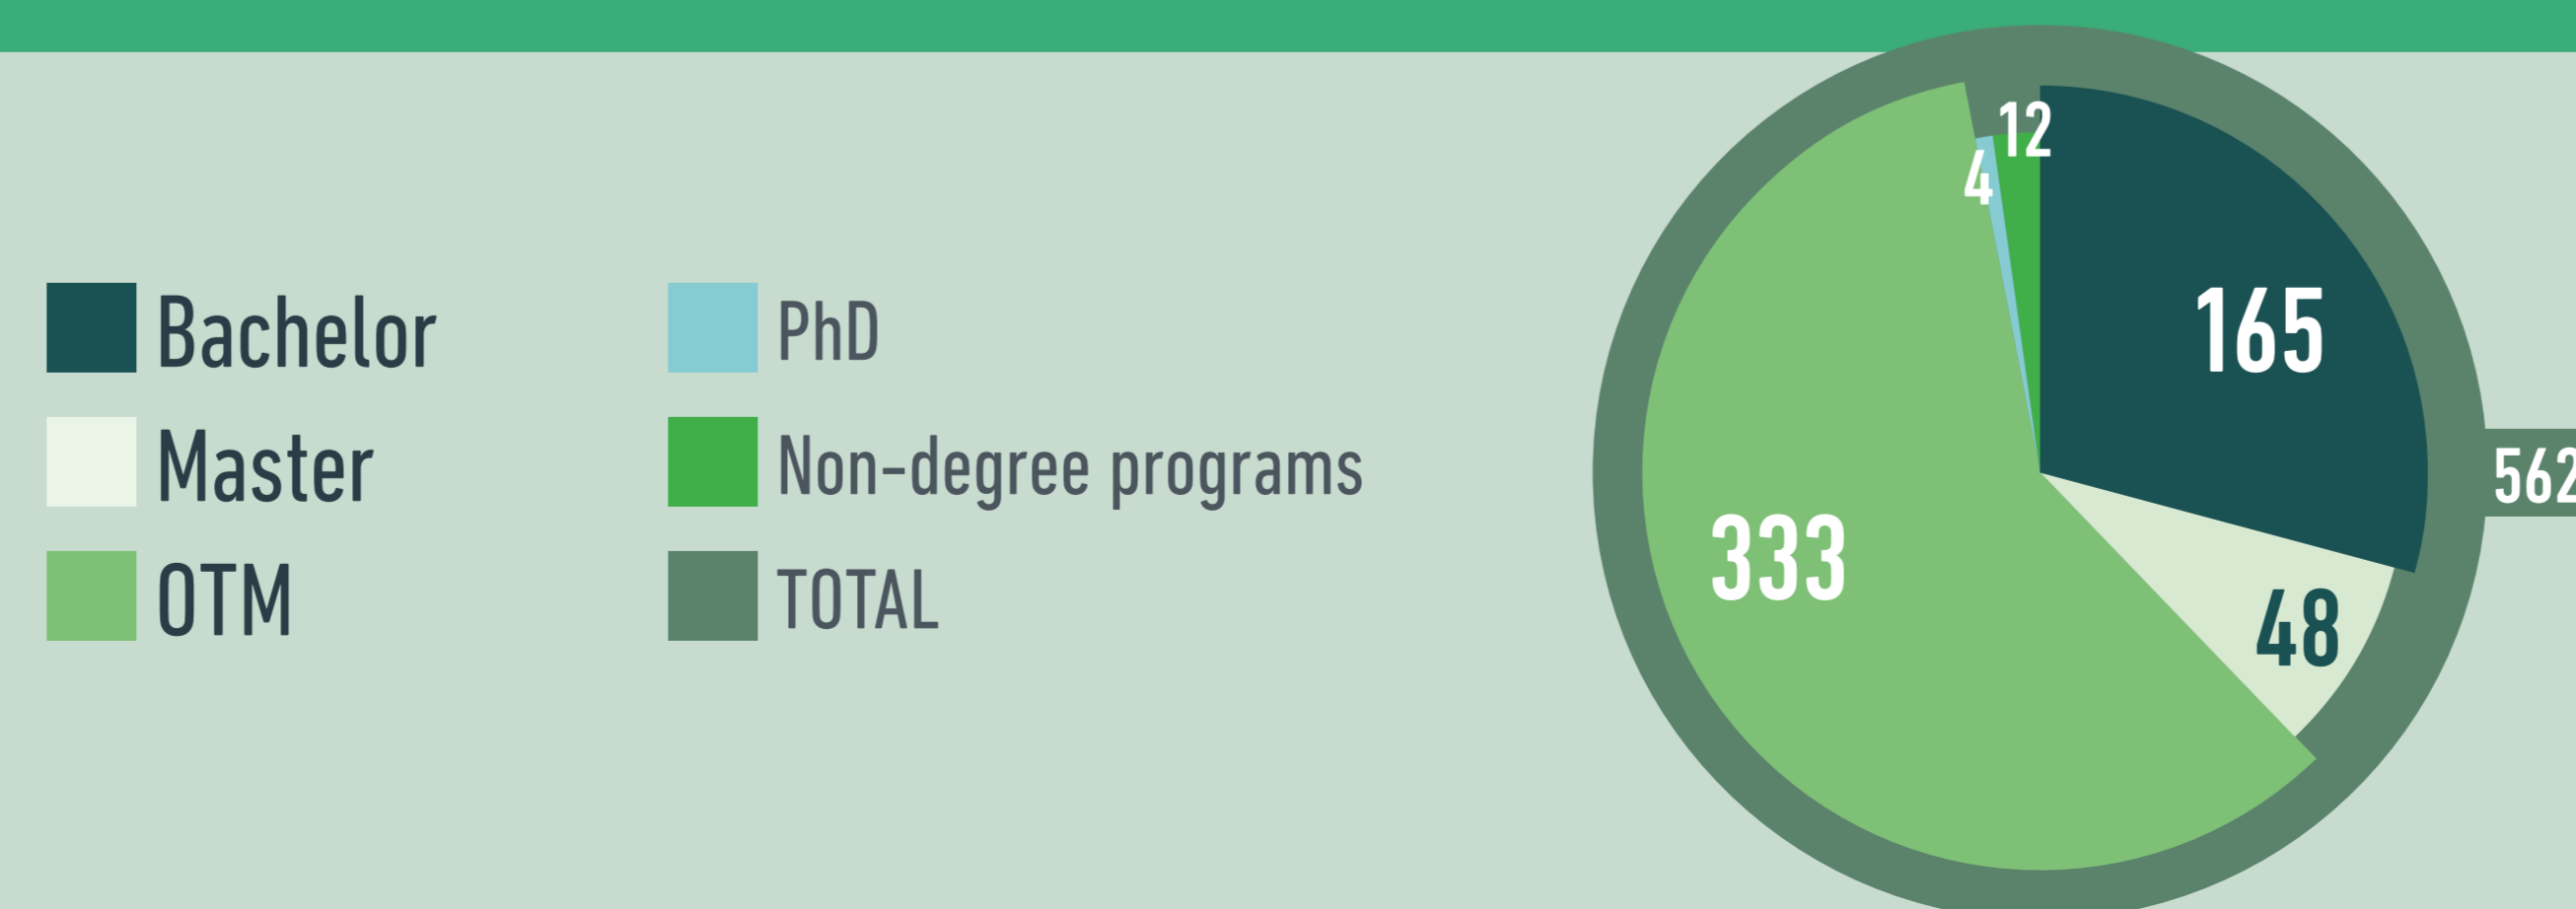

NUMBER OF SCHOLARSHIP HOLDERS FROM THE TOP SENDING COUNTRIES /ACCORDING TO THEIR CITIZENSHIP

NUMBER OF SCHOLARSHIP HOLDERS IN THEIR 5 MOST POPULAR STUDY PROGRAMMES

NUMBER OF SCHOLARSHIP HOLDERS AT DIFFERENT LEVELS OF STUDIES

SUPPORTING ACTS FOR AN EMERGENCY RESPONSE TO HELP STUDENTS UNDER THREAT

SUBPROGRAMME ADVANTAGES FOR HUNGARIAN HEIs

- more financial and professional support for HEIs
- important part of the university's mission is to play a social role
- enroll students to summer schools
- more flexibility for HEIs in terms of enrolment

SUBPROGRAMME ADVANTAGES FOR STUDENTS

- English preparatory courses
- Hungarian preparatory courses
- launching off-campus study
- one-off assistance for students from third countries studying in Ukrainian HEIs
- third ongoing application round for Ukrainian citizens
- › Flexibility compared to the main programme
- › the authorities of the partner countries of the SH programme were not involved in the process
- › continuous application without deadline
- › continuous enrollment
- › scholarship awards on a weekly basis
- › guest student status in order to admit students ASAP
- › continuous possibility for completion of documents
- › rapid modification of the regulatory environment
