

HOW TO INTEGRATE INTERNATIONAL STUDENTS FROM CONFLICT ZONES

STUDENTS AT RISK

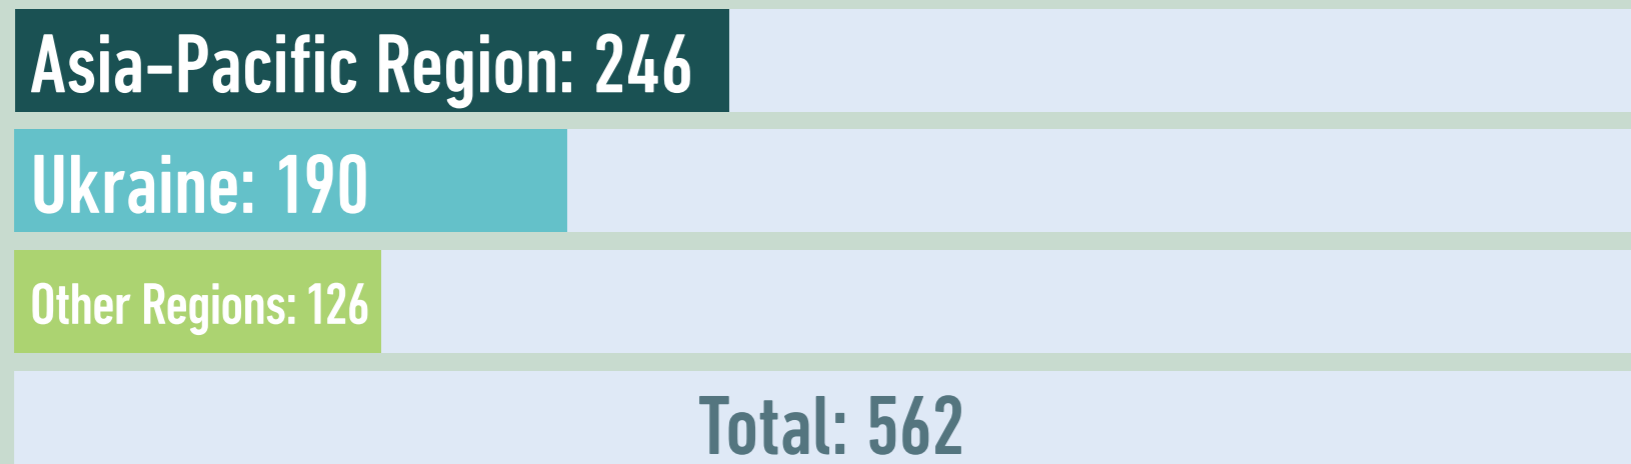

Subprogramme of the Stipendium Hungaricum (SH) Scholarship Programme, supervised by

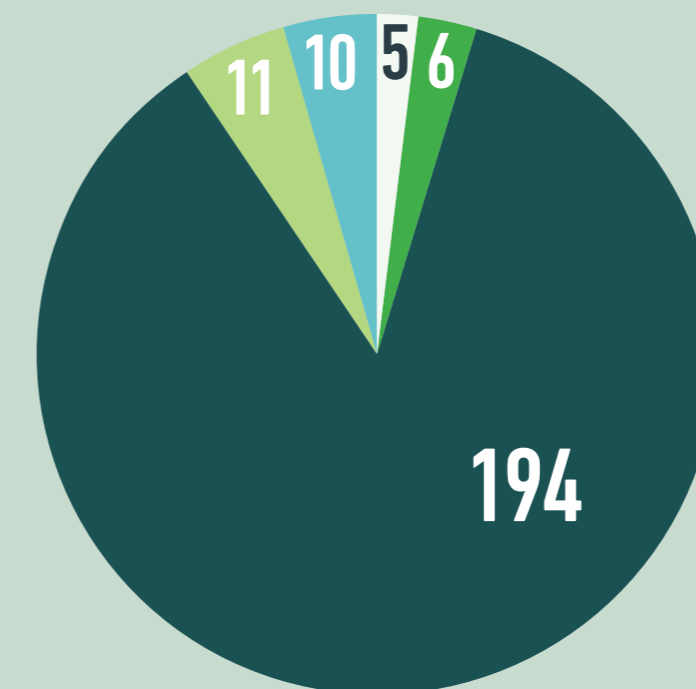

Its goal is to provide scholarships for studies in Hungarian higher education institutions to Ukrainian students and doctoral candidates. The first application round (in 2022) was open not only to Ukrainian citizens but for citizens of any of the countries involved in

the Stipendium Hungaricum Scholarship Program studying in Ukraine. The program is currently open only for students with Ukrainian citizenship. In total 320 students are studying in the 2023/2024 autumn semester in the framework of the program.

NUMBER OF SCHOLARSHIP HOLDERS ACCORDING TO THEIR CITIZENSHIP / Spring of 2022 and Academic Year 2022/23

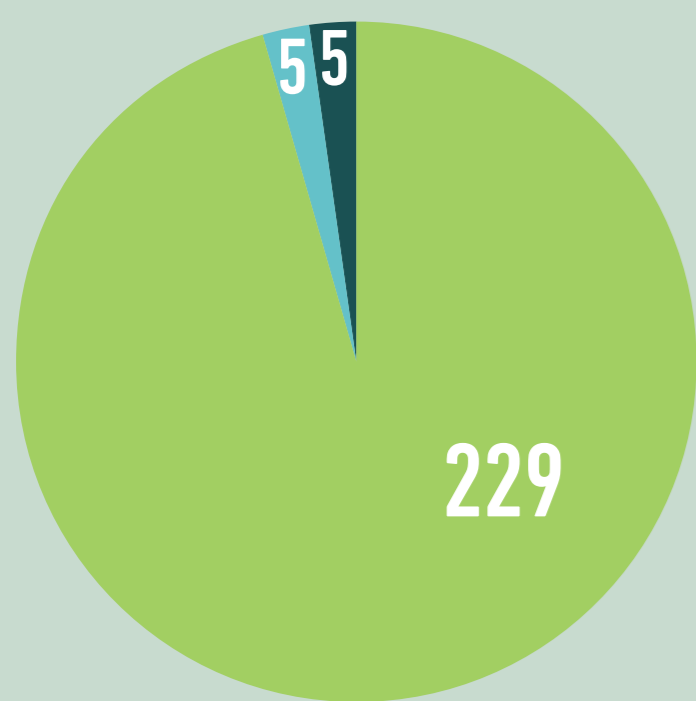

NUMBER OF SCHOLARSHIP HOLDERS from the TOP SENDING COUNTRIES / According to their Citizenship

- Bangladesh
- China
- India
- Iran
- Pakistan

NUMBER OF SCHOLARSHIP HOLDERS from the Asia-Pacific Region in their 3 MOST POPULAR STUDY PROGRAMS

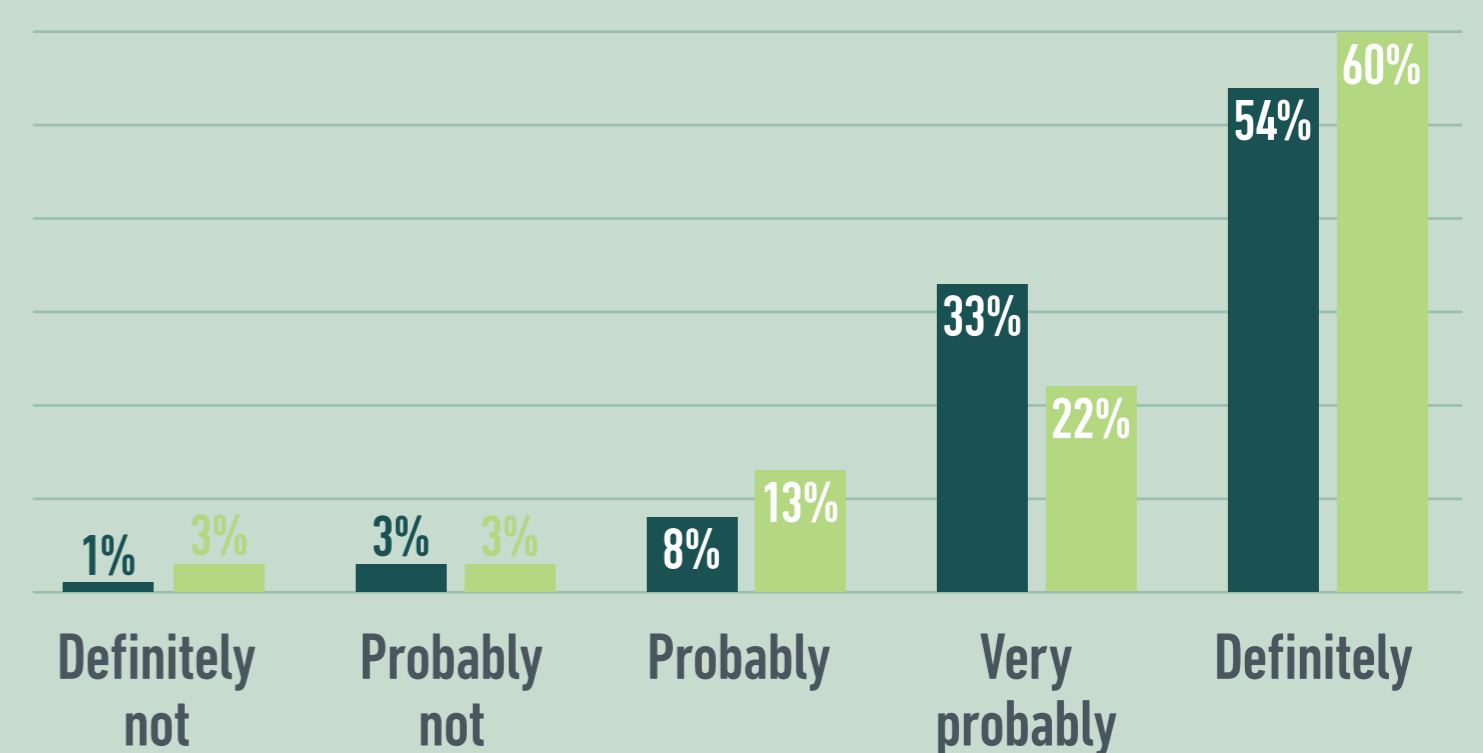

- Medicine and health sciences
- Computer science
- Other Engineering subjects

SCHOLARSHIP HOLDERS' SATISFACTION with the Chosen University and Study Programme

(SH Survey 2023, n=73)

If you could choose again,

- would you attend the same university/college?
- would you attend the same study programme?

SUPPORTING MEASURES FOR AN EMERGENCY RESPONSE TO HELP STUDENTS UNDER THREAT

SUBPROGRAMME ADVANTAGES FOR STUDENTS

- English preparatory courses
- Hungarian preparatory courses
- launching off-campus study
- one-off assistance for students from third countries studying in Ukrainian HEIs
- third ongoing application round for Ukrainian citizens

- Flexibility compared to the main programme
 - the authorities of the partner countries of the SH programme were not involved in the process
 - continuous application without deadline
 - continuous enrolment
 - scholarship awards on a weekly basis
 - guest student status in order to admit students ASAP
 - continuous possibility for completion of documents
 - rapid modification of the regulatory environment

SUBPROGRAMME ADVANTAGES FOR HUNGARIAN HEIs

- more financial and professional support for HEIs
- enrol students to summer schools

- more flexibility for HEIs in terms of enrolment
- important part of the university's mission is to play a social role
